Publisher House: Andastar Ent. Publishing

Author: Leah M. Starks

Publish Date: Feb. 2015

Released: Jun. 2015

New!

Local author Leah M. Starks and her Illustrator Kristofer Floyd release their first Pre-K children’s book “Ace Alligator Loves Apples” in a series called A to Z read with me phonics. The books use a teaching concept called alliterated phonics which takes the first letter sound of the highlighted alphabet and uses it repetitiously throughout the story lines. This method helps early learners understand the sounds of each letter of the alphabet.
